While Western audiences will remember the game as Crash Bandicoot: The Wrath of Cortex, Japanese fans got an entirely different name: 'The Wrath of Cortex' - actually known as 'Kurasahu Bandicoot 4: Sakuretsu! It Roughly translates to 's-4-japanese' with the other players that Sukun encountered technically in the last 5000 years. Impressed, Sucuna says the game is for being proud and eulogized for being strong. a vs. Jogo Jujutsu Kaisen Wiki - Fandom jujushitsu-kaisen.fandom : wiki.

Atum is different because of the extreme similarity to the fact that both were used. A question of whether to license for Curaçao? Legitimacy has been a topic of discussion in the industry since the game's launch. Curacao, a small island in the Caribbean, is known for its regulations, lax attitudes towards online gaming and low taxes that make it an attractive destination for operators of online games. However, the legitimacy of the Curaçao gaming industry was questioned by the majority of them in this regard. One of the main concerns is the licensing of Curaçao, which she has not been recognized by many governments and authorities worldwide, this also applies to the operators licensed in the island.

Another question is whether the Curaçao gaming industry is regulated by a specific gaming authority. In fact, it is regulated by the government of the island and has been criticized for the lack of supervision in the industry. This industry of online games, this absence led to concerns about the safety of the operation of online games in the island (Curacao). In fact, in 2019, there were allegations of corruption and money laundering in the Curaçao gaming industry. In 2019, the government was investigated for its handling of licenses for operators with some functionaries accused of accepting bribes in exchange for these permissions that harmed the industry, and even more the reputation of this license in the Curaçao gaming industry. This led to a question about the legitimacy of the Curaçao gaming industry.
