Daily Cash is deposited into your account every day there's no need to wait until you receive your bill. You just have to wait for a transaction to post to your account (move from pending to approved) before you earn cash back. This may take a few days, but it's substantially faster than other rewards cards.

[ojogos mario](#)

Add up the cash you received

from yesterday's business operations. Count the cash in each of the cash registers. Make a separate entry on the daily cash position report for each register. Add up and enter the total amount of cash from all the registers on the daily cash report.
