No contestant has ever landed all five chips in the center chamber, which has the highest dollar value [3] To date, the largest amount of money ever won at Plinko is R\$39,200 [4] To maintain consistency, there are

only ten Plinko chips, and they are locked up after each use [2]

Plinko remains the only game in Price is Right history to have

never been officially won; a "win" technically means winning

the highest announced prize.
