

O O bet365

MW2 is extremely similar in gunplay and setting to its predecessor, Modern Warfare. The game is a masterpiece of modern FPS design, and it's a shame that it's being overshadowed by Call of Duty: Warzone. The game is a masterpiece of modern FPS design, and it's a shame that it's being overshadowed by Call of Duty: Warzone. The game is a masterpiece of modern FPS design, and it's a shame that it's being overshadowed by Call of Duty: Warzone.
