“2up” is a betting promotion that certain ebookmakers offer on selected soccer matches. When you place a bet on the correct score of a game, and your team goes up at any point during the game, you will be paid out as a winner. Not all bookmakers offer “2up”, but some of the most reputable ones do, including bet365, Betway, and Unibet. These bookmakers are well-known for their generous odds: wide range of betting markets (and excellent customer service), and that’s a popular choice for both casual and serious bettors.

It’s important to note that “2up” is typically only offered on selected soccer matches, and the promotion may not be available for all rounds or the market. Additionally, ebookmakers have different rules and restrictions for “2up” bets, so it’s always a good idea to read the terms and conditions carefully before placing a bet.
