One of the biggest reasons traders lose money is a

lack of knowledge and education. Many people are drawn

to trading because they believe it's a way to make quick money without inves

ting much time or effort. However, this is a dangerous misconception that often

leads to losses.

While there is no guarantee that you will make money or be a

ble to predict your average rate of return over any period, there are

strategies that you can master to help you lock in gains while minimizing losses.

It takes discipline, capital, patience, training, and risk management to be

a successful day trader.
