From COD HQ, head to the Modern Warfare III section

and select the Campaign tile. Even though the game has already launched, we don

want to spoil anything about it. Follow the prompts when starting the Cam

aign to choose your difficulty setting and then get right to it.

Clear the Cache of Your Console. Another common reason for the Call of Duty Mode

rn Warfare Multiplayer not working error is the &span &corrupted cache data

&span &. In this case, you can try clearing the cache files on your PC or

console to fix the issue.
