</p>eWeb movieweb :</p>

</p></p></p>The game is similar to candy crush, except that inst

ead of candy, we have Harry Potter characters. The game is 👌 structured

on levels, which have an increased level of difficulty as they are passed succe

ssfully. At each level, you will 👌 have a limited time to solve it. You

will have to match at least 3 characters in the same row 👌 to earn poi

nts. Try to solve the level as fast as possible so that in the end you make sure

👌 that you manage to win it.</p>

</p>Here you will also meet boosters or special powers that you receive as

a gift 👌 depending on how many characters you join in the same row. For

example, if you manage to unite five characters 👌 in the same row, you

will receive extra points and extra time to continue the level and manage to co

llect 👌 more coins. The game is suitable to be played with your friends

because they can also give you hints to 👌 help you identify the matche

s in the game map faster. You will also have fun together and be able to ㈇

6; test your attention together.</p>

</p>Enjoy it!</p>
