The reason for this is that he has not presented any game, and it is because he did not meet the requirements of EA Sports, the licensor of the player. The first reason is that Marcelo did not want to submit his images for the game. He was happy to be used as a marketing tool by EA Sports. A second time that Marcelo agreed with the terms of the contract, EA Sports offered him, and he refused. He has more creative control over his character in the game, but he also refused EA Sports' offer. The third reason is that Marcelo simply does not want to be in the game. He was happy to be associated with a game, where no one represents Brazilian football in a realistic way.
