<p>cielois ,</p> <p>I thought the game and awesome! The screen effects really made the stor y come to life. And it wasn t 🌧 boring where you just want to skip it through and move on, you really want to read it and see 🌧 , what was hap pening! But there was only one problem, which caused me to delete the app. When you first open 🌧 , the app, they ask for your age, one of the options is 18 and under. So I click that and 🌧 , I start my first story. I really liked it! The story was well played out and I laughed a little 🌧 , too. But the only problem was that the F word was put in there at least once in eac h story. 🌧 , I think that is extremely disappointing that they would do that. If you click 18 and under, I expect the 🌧 , creators of the app to eliminate all the and maybe more swears, I say this because 18 and &# F words 127783; under does include 10 year old, and younger as well. I do not think it is appropriate to add those 🌧 types of swears into the younger catego ry. It s a bad influence on children and really dangerous when you expose them & #127783; , to that kind of language. So I think that they need to fix that immed iately. It s ruined the app experience 🌧 , for me. If they update it, an d eliminate the F word from 18 and under category, I will gladly play 🌧 ; , it again.</p> <p>Sincerely,</p> <p>A disappointed player.</p>
