ry on our website before, which is the primary reason why we wanted t
o bring you the game today, especially after we played it and had lot
s and lots of fun with it, so we are sure that the same thing is going to apply
to you all as well, or otherwise we would not have brought it over in
the first place. This is a bicycle game, taking place in a frozen wo
rld, and it is a really unique game. Because of that, let us explain
what you do in it and how right now, after which we invite you to let the fun be
gin immediately! You increase or decrease speed using the left and ri
ght arrow keys, jump with the up arrow or the space bar, and use down
for air over thermals. You are going to go in each level and ride your
; BMX bike, with the goal of reaching the end of the track without crashing, an
d along the way you should give it your best so that you collect as m
any soap bubbles on the way as possible. Let the fun begin right now,
only here, and stay with us, since more amazing games such as this one are goin

g to follow!
