So you playing with a mouse against someone on the phone is kinda cheating but don't worry. Can mobile COD players play with console players?

No. Only PlayStation, Xbox and PC players can cross play

No you can't play with

PS4 players because Call of Duty Mobile isn't on console. However

you can play Call of Duty Mobile on PC with your mouse and keyboard, but on mobile

you will play against PC players only if you play with friends that are playing

on a PC. Can Call of Duty mobile be played with PS4 players?
