Another tool that can help you find good short-term

trading opportunities are patterns in stock charts. Pa

tterns can develop over several days, months, or years. While no two patterns ar

e the same, they can be used to predict price movements.

It's essential to start checking t

he exchanges to get up to date quotes and to follow international news that can

affect the markets. Even getting financial reports on publically li

sted companies is an important thing to do. The internet is a rich source of fac

ts, statistics, and figures that can help immensely.
