The game is similar to candy crush, except that inst
ead of candy, we have Harry Potter characters. The game is structured on le
vels, which have an increased level of difficulty as they are passed successfull
y. At each level, you will have a limited time to solve it. You will have t
o match at least 3 characters in the same row to earn points. Try to solve
the level as fast as possible so that in the end you make sure that you man
age to win it.
Here you will also meet boosters or special powers that you receive as
a gift depending on how many characters you join in the same row. For examp
le, if you manage to unite five characters in the same row, you will receiv
e extra points and extra time to continue the level and manage to collect m
ore coins. The game is suitable to be played with your friends because they can
also give you hints to help you identify the matches in the game map faster
. You will also have fun together and be able to test your attention togeth
er.
Enjoy it!
