Call of Duty games are known for their intense and realistic violence, as well as mature themes. The game is typically rated M for

Mature, which means it's intended for players aged 17 and older

Is Call Of Duty appropriate for 15 year olds? My mom isn't letting me play.

But after I did some more research I found out you turn off profanity, blood, and gore. My child showed me them turning this filter

on in game settings. Overall I think this is just a realistic version of Fortnite. So, if your child is at least 11 I recommend this video game!
