A contagem que se faz no jogo de cartas é feita assim: a primeira carta vale 1 ponto, a segunda 2 pontos, a terceira 3 pontos, a quarta 4 pontos, a quinta 5 pontos, a sexta 6 pontos, a sétima 7 pontos, a oitava 8 pontos, a nona 9 pontos, a décima 10 pontos. Quando se soma os pontos das cartas, o resultado deve ser sempre 31 pontos. Se o resultado for diferente de 31 pontos, o jogo é considerado inválido.
