<p>Warfare 1917 is a fun game of strategy, tactics and war. You are a military general in 🛡 World War I and it is your duty to command your troops and lead them to victory. Before you start 🛡 each battle you can upgrade your units. During a battle, you must deploy your troops to the trenches and help 🛡 them advance across the battlefield to defeat the enemy. Your troops will only be advanced when you have a certain number 🛡 of soldiers in one place.</p>

<p>Keep pressure on your enemy and keep your troops advancing. You must use a combination of 🛡 troops to advance - don't simply use one type of troops - try using everything at your disposal such as 🛡 riflemen, assault troopers and mortar troopers. Also remember to make use of your special abilities such as a mortar strike. 🛡 This game is fun but also tactical and it will really make you think about your troop deployment and options! 🛡
