To use a Discord bot command, simply type it into the text box on a text channel and press enter. The bot will prompt you for any follow-up Discord commands. See the GIF above for a quick example of how to use the status command on the IdleRPG bot.

How to Add Discord Bots

- Droplr : productivity-tools : how-to-use-discord-bots

Discord bots are automated programs or scripts designed to enhance the functionality and user experience of the Discord platform.

They can be added to Discord servers to perform a wide range of tasks, automate repetitive actions, moderate conversations, provide information, play music, and more.
