ganando a thousand. For this reason, you will often see CPM referred to as cost per impression, and for the acronym of the United States of America, it is referred to as CPM. The cost per action (CPA) is the cost a marketer will pay for a specific action, such as a sale or a lead. The cost per click (CPC) is the cost a marketer will pay for a click on an advertisement. The cost per impression (CPI) is the cost a marketer will pay for a single impression of an advertisement. The cost per lead (CPL) is the cost a marketer will pay for a lead. The cost per sale (CPS) is the cost a marketer will pay for a sale. The cost per acquisition (CPA) is the cost a marketer will pay for a customer acquisition. The cost per conversion (CPC) is the cost a marketer will pay for a conversion. The cost per click (CPC) is the cost a marketer will pay for a click on an advertisement. The cost per impression (CPI) is the cost a marketer will pay for a single impression of an advertisement. The cost per lead (CPL) is the cost a marketer will pay for a lead. The cost per sale (CPS) is the cost a marketer will pay for a sale. The cost per acquisition (CPA) is the cost a marketer will pay for a customer acquisition. The cost per conversion (CPC) is the cost a marketer will pay for a conversion.

Paint and Run is a puzzle platform game where you drive a truck that spills paint, and your job is to paint every ground and surface you can get your wheels on. Drive into certain stops in the city as you can see on the map and start the level. You will automatically paint any surface you pass, which means the only thing you have to worry about is the law enforcement. Jump, bounce on spring-loaded platforms, avoid obstacles, smash security drones, collect stars, and unlock different types of cool vehicles! Are you ready for a colorful adventure?

How to play Paint and Run?

Move - A/D or Left/Right arrows

Jump - Space bar

Pause - ESC
