I would like to know what the best strategy is for winning in 6+ Hold'em. Are there any specific tips or tricks that can give me the upper hand in this game?

Obrigado! Me segue as regras de Short Deck Hold'em, 6, 7 mas com algumas condições específicas para when playing at home:

1. Antes Lojas: Many homes are playing without antes, but it's exciting to have them to create more action and better gameplay for everyone. I have the antes would greatly to create better and fair gameplay for everyone.

2. number of players: While usual Short Deck Hold'em Tables come with only 6 seats, 6, 7 you can simply play with fewer people or more, changing the design and rotation of the deal and overall dynamic. If you deal and separate cards manually, you miss action jettention to deal the boards faster, and each player takes all of their hands within a rotating point system. (4 s) Tj T* BT /

ning the m their hand and bet.

3. After community cards are dealt, the last card is revealed and 6, 7 from dealer button puts in big blind. Once only family is smaller, someone may say "blind on" when raising, effectively increasing big blind and one level from the button. This brings many changes to the usual dynamics or raising blind play when playing at such an adjust level while keeping any chips inside Level.
