

cbet support

It was approved by President Dwight D. Eisenhower in March 1960, after the January 1959 Cuban Revolution, and was presided over by Vice President Richard Nixon.[citation needed]

Origins [edit]

On 17 March 1960, President Eisenhower signed a U.S. National Security Council directive on the anti-Cuban covert action program authorizing the CIA to organize, train, and equip Cuban refugees as a guerrilla force to overthrow the government of Cuban prime minister Fidel Castro.[citation needed]

Operation 40 was not only involved in sabotage operations. One associate of the group, although never a member, Frank Sturgis, allegedly told author Mike Canfield: "this assassination group (Operation 40) would upon orders, naturally, assassinate either members of the military or the political parties of the foreign country that you were going to infiltrate, and if necessary some of your own members who were suspected of being foreign agents...We were concentrating strictly in Cuba at that particular time." [citation needed] The group sought to incite civil war in Cuba against the government of prime minister Fidel Castro. When Operation 40 failed in accomplishing this goal, then in October 1960, Brigade 2506 was created, a CIA-sponsored group made up of 1,511 Cuban exiles who fought in the April 1961 Bay of Pigs Invasion.
