Very scary horror. This is
an extremely scary, graphic horror movie that should not be taken lightly. I ha
ve seen my fair share of horror movies over the years but this one definitely ha
s a different feel to it. It is chilling, unnerving, and very difficult to watch
sometimes.

The film is scary
. The jump scares are terrifying. The shock-horror scenes are both haunting and
gruesome, comparable to those in Ari Aster's blockbusters. But unlike, say,
that scene in Midsommar, the moments of visual gore in Smile seem to actually pr
opel the narrative, not just permanently disturb the viewer.
