Yes, the safety of our users is extremely important to us.

Poki takes all necessary precautions and security measures to help ensure your safety and that of other players. Furthermore, every game on our platform has gone through a thorough quality assurance process.

Primary School Age (Ages 6-12):

As children enter the primary school years, parents can introduce age-appropriate video games that align with family values. Look for games with educational content, suitable themes, and limited violence.

At what age is it advisable to allow children to play video games? - Quora
