[Who Is?](#) is a puzzle game created by Unico Studio. This is a fun riddle game that presents you with over a hundred tricky scenarios and you have to think outside the box to solve them. Every level brings something new to the table so you will never get bored. There are choice-based scenarios such as "Who is an imposter?" or "Who is lying?", but there are also riddles where you must find the hidden object, and much more. You can use the help system if you get stuck and even skip levels. Who is having fun? You, if you play this game and share it with your friends.
