<p> /p> About This Game /p>  
<p> /p>  
<p>PICO PARK is a cooperative local/online multiplayer action puzzle game fo

r 2-8 players. /p>  
<p> /p>  
<p>The rule is quite simple: 'Get #128175; all the keys and get to  
the goal and clear', but all 48 levels have special gimmicks designed speci  
fically for #128175; multiplayer. At most levels, different gimmicks will appe  
ar as you move forward, and you will need to consult with your #128175; peers  
and think about new ways to cooperate. This version is essentially a port of the  
one we released on the #128175; Nintendo Switch in 2024. However, it's not  
just a port, it now supports online play. The 2024 version of this link has #128  
175; been renamed 'PICO PARK: Classic Edition' [Flexible Level] Each lev  
el of PICO PARK can be cleared when players get the key, unlock the door #128175  
; and all players reach it. But, every level requires cooperation to complete.. [

Battle Mode] Co-op play is the main work of this game, #128175; but let's c  
ompete with friends in BATTLE MODE once co-op play is completed. [Endless Mode] Ev  
en if you complete all 48 stages, #128175; you can play ENDLESS mode to aim at  
high score by collaborating with friends. By collaborating with friends, your s  
core #128175; will grow faster. [Online Play Mode] You can play together online  
with people who are far away from you. However, this is a #128175; game where c  
ommunication is very important, so we recommend using Discord or Zoom to play wh  
ile talking. [TecoGamePad] TecoGamePad change your smartphone #128175; turn to g
