

yo-yo freebet

Definition: A yo-yo freebet is a bet placed on a horse to win a race, but the bet is only paid if the horse finishes in the top two positions. This type of bet is often used in horse racing to provide a higher payout for a horse that is expected to finish in the top two positions but is not expected to win.

Usage Examples - Dictionary

yo-yo freebet

yo-yo freebet (verb) is the term used when a bet is placed on a horse to win a race, but the bet is only paid if the horse finishes in the top two positions.
