Age Of War is a fascinating online game that you can play for free. This game will take you on an exciting journey through five different eras, each with its own unique warriors and challenges. Your mission is to survive numerous attacks from formidable enemies who will unleash their strongest warriors against you.

In Age Of War, you are tasked with building warriors that correspond to each era and with building a strong economy. You can choose to play as a mercenary, a trader, or a professional investor. The game offers a variety of options for players, including the ability to invest in real estate, such as hedge funds or investment banks, and to trade commodities. The game is available on various platforms, including PC, Mac, and mobile devices.

Age Of War is a free-to-play game, but it offers a variety of in-game purchases that can help you progress faster and more easily. These purchases include additional warriors, upgrades, and other items that can give you a significant advantage. The game is also available on various platforms, including PC, Mac, and mobile devices.
