The top reason why Supernatural became worse

after season 5 in particular is because of certain staff chan

ges that occurred at this point. From the start, Eric Kripke was the creator and

main showrunner of Supernatural. He gave the show its dark, grungy ambiance and

horror-centric themes.

One of the absolute worst episodes of Supernatural across all t

he seasons is the season nine episode, "Bloodlines." The episode was p

anned by critics and audiences alike when it premiered, and not an episode fans

rewatch when binqing Supernatural again.
