Plutonium is what's known as a false positive (your antivirus thinks Plutonium is a virus, when)

king on this project for years and tons of hard work has gone into this.

Why is my antivirus saying Plutonium is a virus?

Ultimately falls a little short when it comes to matching up with some of Zombie's other features, but there's still plenty of deranged desperation and death here for horror fans to devour. Still, the star-making performance and strong character work from Richard Blake will leave audiences with something to talk about.
