CODM zombies was nothing compared to its PC and con  
sole counterparts. People were tired of playing only on one map, and  
that made it more boring. There were not many guns in that mode, e  
ven the mystery boxes don't give you a quality weapon. Zombies were just too  
to kill.

co-op Extinction mode. But Sledgehammer Games is behind this year's upcom  
ing title and it appears Zombies will make a return.
