A common strategy for starting games is to #226;

randomly click until you get a big opening with lots of numbers#226;

. If you flag all of the mines touching a number, chording on the number opens t he remaining squares. Chording is when you press both mouse buttons at the same time. This can save you a lot of work!#226;

With your cursor inside the minesweeper window #226;

then press Shift-Enter and Enter#226;

A white dot should appear in t

he upper-left corner of the screen. If it turns black, your cursor is resting on

a mine.#226;
