<p></p><p>Gameplay</p>

<p>In FNAF 4, you play from a first-person perspective and must use variou

s tools to protect yourself from the animatronics. #127803; Your primary tool

is a flashlight, which you can use to keep track of the animatronics#39; moveme

nts. You can also #127803; close doors and windows to keep them out, but these

actions consume your limited supply of power. The animatronics move #127803;

around your bedroom and can attack you from any angle, so you must use your sens

es and quick reflexes to #127803; survive.</p>

<p>How to Play</p>

<p>To play FNAF 4, you will need to use the arrow keys or W, A, S, and D &

#127803; keys to move around. You can use the space bar to shine your flashligh

t and the mouse to interact with #127803; objects. The game is split into five

nights, with each night becoming progressively harder. You must survive until 6

:00 AM #127803; to complete each night.</p>

<p>Conclusion</p>
