The first four Silent Hill games are all uniquely u
nnerving; these titles gave survival horror fans a more psychologica
l alternative to Resident Evil's more visceral terrors. Each Si
lent Hill game transforms trauma into monstrous physical manifestations, which i
s arguably most effective in Silent Hill 2.

It is a movie about a mother who dies with her daughter and gets trapped
in a ghost town, Silent Hill. She goes looking for her daughter and meets some
monsters on the way. There is one scene where a main enemy from the games rips t
he skin off of a woman, killing her. Definitely not for kids
