Call of Duty is a popular video game series known f
or its realistic depictions of military conflicts. While the games are often ins
pired by real historical events and settings, they are not based on
specific true stories.

Most of the Western Front locations presented
in the first two Call of Duty games and the more recent Call of Duty: WWII are
quite accurate, especially France. The names of the towns, villages
, and even the operations are well-researched (as they should be) and even recre
ated with decent attention to detail.
