<p>About Free Escape Games</p>

<p>Escape games, also known as escape room games, are a category of puzzle games that challenge players to use elements of the game environment to escape a confined environment. The concept was first popularized in Japan, where the first escape game, titled MOTAS (Mystery Of Time And Space), was released in the early 21st century. Designed by Toshimitsu Takagi in 2004, it sparked the global trend of escape games enjoyed by players of all ages today.</p>

<p>This genre of games brings the thrill and excitement of the real-life escape room experience to the digital world. Players can immerse themselves in various narratives, such as escaping from a spooky haunted house, a deserted island, a high-security prison, or even a mundane office.</p>

<p>Escape games also echo elements of pop culture. Can you imagine yourself in the shoes of Harry Houdini, the iconic escape artist? Or perhaps translate the adrenaline-pumping escape scenes from popular movie franchises such as Prison Break or The Shawshank Redemption?</p>
