como os nico clube lta que nunca ter sido rebaixado

Serie.

A revista "Brasileir o Ozzo" Recently

, wrote an article about the biggest derby in Minas Gerais, the "Cl

ico Mineiro," disputed between ; Clube Atl tico Mineiro and C

ruzeiro. The rivalry has its origins in the 1920s, when both teams were founded,

and is ; considered the second-most popular derby in Brazil, behind Co

rinthians x Palmeiras.

The main disputes between these two teams began years after ;

Cruzeiro, originally named Sociedade Esportiva Palestra lta, was founded

in 1921. However, it was in the 1940s that the rivalry ; strengthened

and became the largest derby in Minas Gerais, rivaling any other football compet

ition in the state during the 1960s.

At ; the time being, Atl tico competes in several sport m

odalities; however, it has an excellent historical record in football, providing

the ; most international-class players of any football club from Minas

Gerais. In contrast, Cruzeiro, which holds the largest number of national #127

773; football titles, is considered the second most popular football club in Mi

nas.

It's interesting to mention that even though both teams ;

hold a historic rivalry in football, a study reveals that each team has unique f

an characteristics. Atl tico fans are predominantly ; males (76%)

from high-income neighborhoods (41%.) While Cruzeiro has a contrasting audience:

with more than 50% of fans being female ; and having a prevalence of i

ncome ranging from middle (32%) to high levels (28%).
