Using map files for Warzone, as well as the Zombies mode; and it is a fact that Activision's Call of Duty: Modern Warfare 3 is a sequel to Call of Duty: Modern Warfare 2. It carries over the same story and characters from the previous game. Call of Duty: Modern Warfare 3 is a first-person shooter game developed by Infinity Ward and published by Activision. It is the third game in the Call of Duty: Modern Warfare sub-series. The game is set in a near-future world where a global conflict has broken out between the United States and a coalition of nations led by Russia. The player takes on the role of a member of the United States Marine Corps, fighting against the Russian forces and their allies. The game features a variety of multiplayer modes, including a new "Warzone" mode that combines elements of Call of Duty: Warzone and Call of Duty: Modern Warfare. It also features a new "Zombies" mode that is a return to the classic Call of Duty: Zombies mode. The game is available on PC, PlayStation 4, PlayStation 5, Xbox One, and Xbox Series X/S.
