Voices of the First World War: Shell Shock - Imperial War Museums

history : voices-of-the-first-world-war-shell-shock

could be triggered by a range of causes. The term itself derived from the idea that repetitive shelling was primarily to blame. The peri

ods of intense shelling that occurred during the war were certainly what British private Donald Price saw as the reason men became shell shocked.

Shell shock ' could be triggered by a range of causes. The term itself derived from the idea that repetitive shelling was primarily to blame. The peri
